# Correction to: Rate and determinants of non-adherence to a gluten-free diet and nutritional status assessment in children and adolescents with celiac disease in a tertiary Brazilian referral center: a cross-sectional and retrospective study

Maraci Rodrigues<sup>1\*</sup>, Glauce Hiromi Yonamine<sup>2</sup> and Carla Aline Fernandes Satiro<sup>2</sup>

## Correction

Unfortunately, after publication of this article [1], it was noticed that the names of the second and third authors were incorrectly displayed, respectively, as Glauce Hir-omi Yonaminez and Carla Aline Satiro. The correct names are Glauce Hiromi Yonamine and Carla Aline Fernandes Satiro and can be seen in the corrected au-  
thor list above. The original article has also been up-  
dated to correct this error.

## Author details
